DESCRIPTION

Used for centuries as the tool to both teach and communicate mathematics, the abacus was found in one form or another across the ancient world. At Vakkerlight, we saw the beauty in the abacus’ mathematical purity and clean, functional design. In the hands of Vakkerlight craftsmen, we’ve turned this inspiration into a new collection of modular pendant lamps whose flexibility allows for complex and beautiful configurations. Each module, or strand, of Abacus contains a custom set of round, hand-blown opal glass which emit a soft and uniform light.

And, as the original abacus was used to calculate everything from simple addition to complex formulas, we’ve retained the same scalability. Due to its customization, our Abacus light is just as suitable in a home as a commercial space, and its almost infinite configurations makes sure you always come up with the right solution.

SPECIFICATION DETAILS

*For custom options, consult factory for details

Fixture Dimensions	D 3.1" x H 20.9"
Light source	Integrated LED
Wattage	~10 W
Voltage	AC 110-240V
Color Temperature	3000k
CRI(Ra)	80CRI
Mounting	Wall
Driver Required	Yes
Optional Color Temps	Warm White (3000K), Cool White (6000K), Daylight (4000K)
LED Rated Life	30000 hours
Dimming	Dimming is not supported
Finishes	Gold
Glass Details	White
Material
