DESCRIPTION

The Vaughan Wall Light is a uniquely designed wall sconce with a metal and wood construction, featuring a circular hollow ring as its shade. Combining the elements of metal and wood, this light fixture showcases a distinctive style and texture. The metal components are finely crafted and polished, presenting a smooth and textured surface. The wooden elements display natural grain patterns and warm tones, adding a touch of natural charm to the fixture. The shade takes the form of a circular hollow ring, emitting a soft and even dispersion of light. It provides a warm and pleasant illumination, creating a comfortable and cozy ambiance in your living space.
