DESIGN INSPIRATION

Ginkgo leaf series lamps integrate modern design concepts with their unique natural aesthetics. Inspired by the streamlined silhouette of ginkgo leaves in autumn, this series of lamps adopts an elegant metallic texture to reproduce the soft lines and delicate texture of the leaves. The soft light shines through the ingenious ginkgo leaf-shaped lamps, projecting rich layers of light and shadow, bringing a picturesque natural atmosphere to the indoor space. Whether it is a chandelier, a wall lamp, or a ceiling lamp, each piece shows delicacy and harmony, adding tranquility and elegance to home life.
