DESCRIPTION

The 42-inch LED integrated ceiling fan is perfect for bringing a clean, modern style to your home. Featuring a flush mount and six-inch downrod, this LED-lit ceiling fan can be installed seamlessly into the ceiling to bring extra airflow and lighting to any room. A clean white finish metal fixture with a round design offers a sleek profile that brings a soft modern touch to your lighting, while three Wood color or teak fan blades add charming contrast for a polished look. The integrated 24w LED panel provides plenty of light, while the fan helps cycle air throughout the room for a comfortable feel. Perfect for any indoor space, this hanging ceiling fan will blend effortlessly into your home, combining functionality and style in an ensemble you'll love.
