

Alien Lamp

- Tri23F Floor Lamp
- MHF-161305

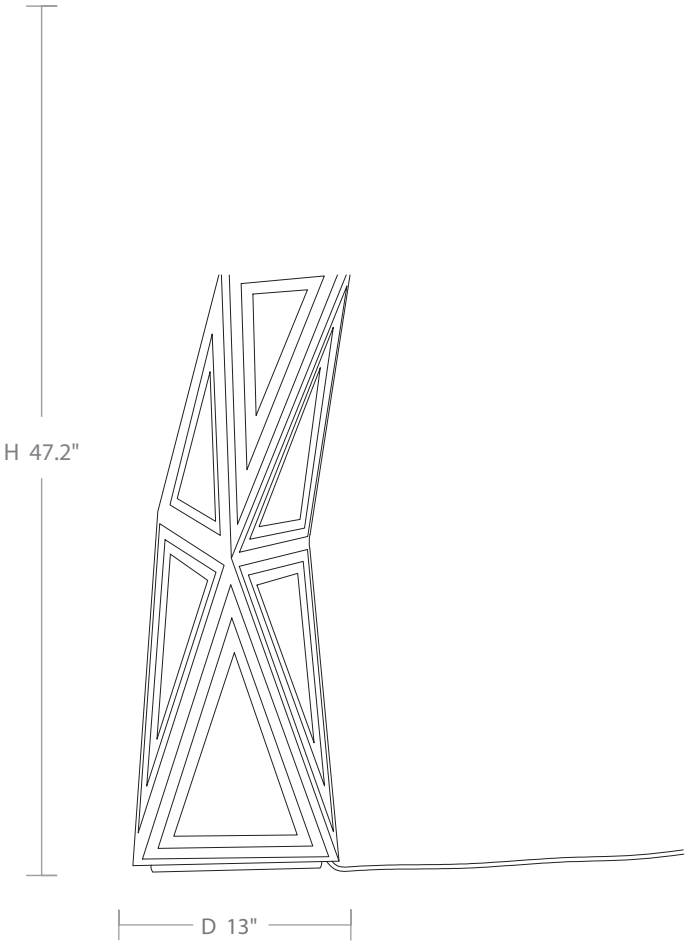

MATERIALS

- Stainless steel
- Metal

PRODUCT DESCRIPTION

The perfect triangular tiling honeycomb, the Tri Light. An enlightenment piece for the post-factual era. A paracompact flexible design system that can easily be perpetuated into infinity. Milled and anodized, each iron triangle shines on its own, creating widely dispersed, harmonious light evoking the importance of the elementary particles.
