PRODUCT DESCRIPTION

Elevate your bedside or reading nook with the sculptural charm of the Antler Ring Table Lamp from Mooiehome. Designed to resemble a stylized antler crown, this unique piece combines rustic influence with modern elegance. The bold metal frame curves upward in a striking ring-like silhouette, cradling a warm fabric shade that softly diffuses light for a cozy, inviting glow. Resting on a natural wooden base, the lamp creates a harmonious balance between strength and serenity—perfect for adding character to bedrooms, studies, or lodge-inspired interiors.
