MATERIALS

- Carbon steel
- Aluminum

PRODUCT DESCRIPTION

The gold and black lamp body form a sharp contrast, as if a beam of warm light breaks out at dawn in the dark night. The texture on the inner surface of the lamp-shade is like an artist's brushstroke, emitting light in a soft and layered way, creating a rhythmic visual experience. This table lamp not only brings you lighting, but also writes a poem of light and shadow, perfectly combining art and practicality to enhance your home atmosphere.

SURFACE FINISH OPTIONS

- Black
- Gold

CERTIFICATION
