

Floor Lamp

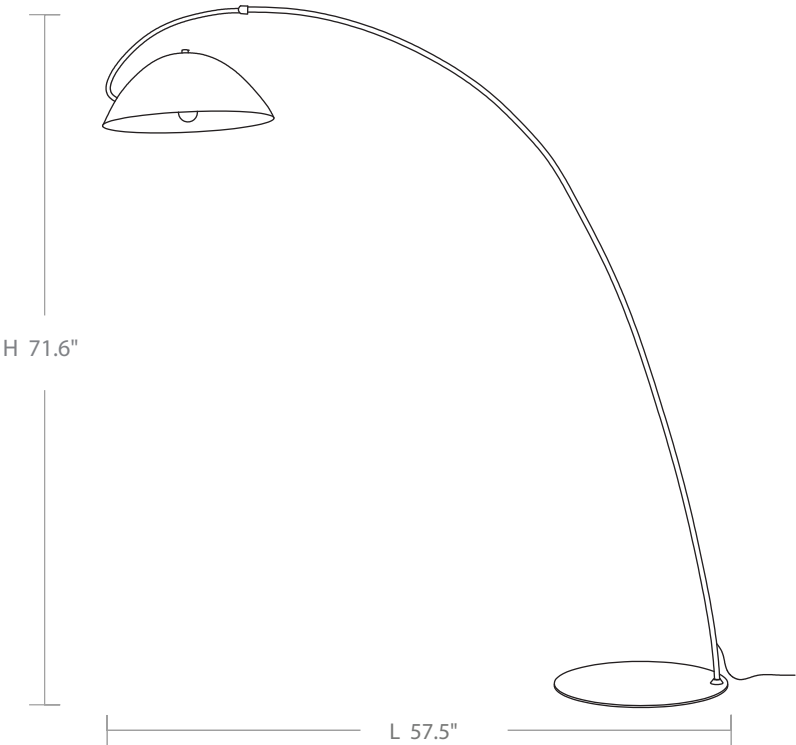

- Pluma Floor Lamp 66.9"
- MHF-

MATERIALS

- Iron

PRODUCT DESCRIPTION

When designing the Pluma Floor Lamp, Our wanted something new and something that just has to be. The familiar would be the timelessness of the classic arc profile. The unexpected For starters, the arc is extendable, allowing variable adjustments to the height and width of the fixture. And then there is the shade configuration, flipped to face the stem and deftly balanced on a single point.
