

Marble Lamp

- Estela Floor Lamp 7.1"
- MHF-17199

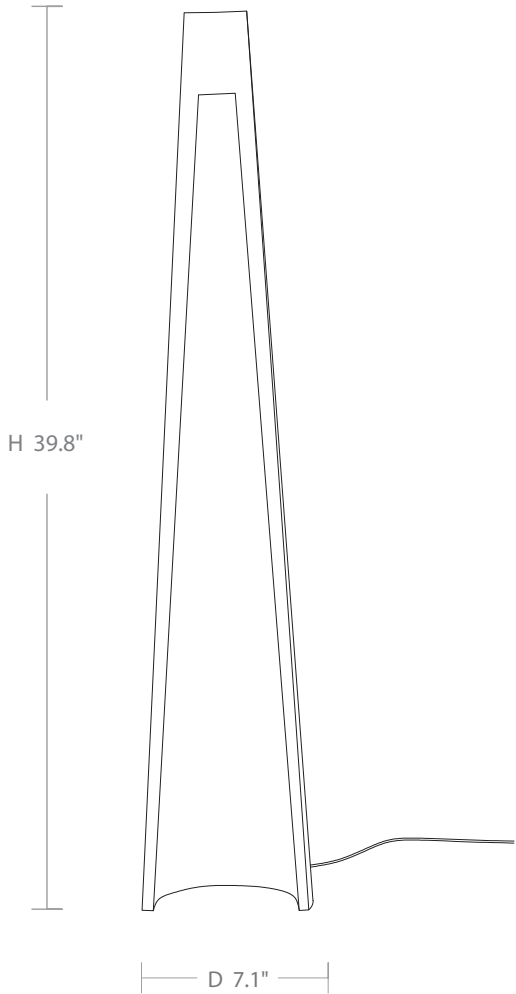

MATERIALS

- Polished marble

PRODUCT DESCRIPTION

The Estela Lighting Fixtures are monolithic expressive figures, that are an abstraction of the marble structures. The fixtures are hand-carved out of marble, leaving its exterior pristine so the details of the natural material would be visible for the observer and an exposed roughness of the carved interior that is enhanced with the light to create an altar-like experience.
