

Cement Lamp

- Cement Solid Wood Pendant Light 5.7"
- MHP-17529

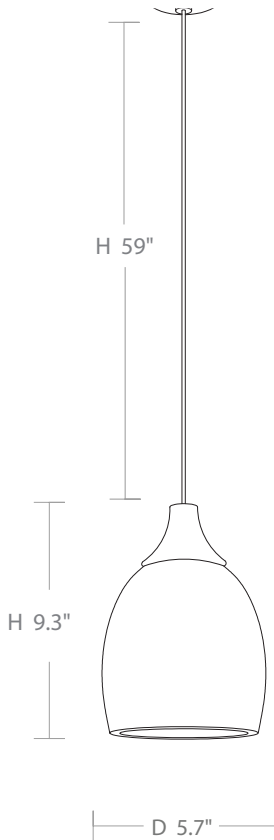

MATERIALS

- Wood
- Cement

PRODUCT DESCRIPTION

Pairing the natural, graceful look of wood with the structure and cement hue of concrete, this mini pendant has a handsome and refined design. A flat, round top is matched with a bell-shaped shade that surrounds a single light bulb, casting a downward layer of light onto the surroundings. Suspended simply by a fabric cord, the minimalistic silhouette of this small pendant adds a confident touch to spaces.
